Thank you for helping us to help children living in poverty

What is Edukid?

Edukid is a Christian, UK registered charity that helps children of all religions who are living in poverty and conflict to gain access to an education.

In the territories we support, Edukid avoids imposing 'western ideals' by partnering with local people and organisations, helping them to develop projects born out of their deeper cultural understanding of what is needed and likely to be effective. Many of these local partners are themselves living in poverty so Edukid acts responsibly and ethically in the way it financially supports their efforts. Many former students from our scholarship programmes are now 'giving back' by helping Edukid.

Our Vision

Edukid's vision is of a world free from the effects of war and poverty, where each child has an education and opportunities to fulfil their dreams. We believe that, together, we can build a brighter future for every child, no matter whom they are or where they live.

What we do

Our aim is to give children living in poverty the opportunity to access a primary, secondary, university and vocational education while educating people in the UK about the needs of others and empowering them to make a difference. How we help varies according to family circumstances and the needs within a country but we provide a range of practical and emotional support including the following :

- School packs containing uniform and equipment needed for school
- School fees (Uganda)
- Social Worker (Uganda)
- Train and employ a teacher to provide supplementary education (Cambodia)
- Employ local staff to administer the projects and oversee the physical, educational and emotional welfare and safeguarding of the children.
- Vocational training
- Small business loans

How your money will help

With your help, we can change the lives of children living in poverty.

- **£20- one month's education and support for a Cambodian child**
- **£25 - a month's education and support for a Ugandan child**
- **£30 - help a Cambodian student to go to university for a month**
- **£50 - teaching resources for UN schools in Palestine**

Thank you for helping Edukid to empower, educate and enrich lives
